ORDER AMENDING FINAL DECISION

On July 5, 2007 a Final Decision was issued in this matter. The decision included the following provision:

It is ordered that the Respondent's Healthy Blue certificates (Form numbers 1831, 1945, and 1949) are disapproved effective 45 days from the date of this order. Respondent may refile amended certificates, consistent with this Final Decision, with the Office of Financial and Insurance Service within 30 days of the date of this decision.

On August 14, 2007, Respondent Blue Cross Blue Shield of Michigan filed an "Emergency Motion for Modification of Final Order to Provide Additional Time for Compliance". In its motion, Respondent requested an additional 90 days in which to have its amended certificates of coverage approved by the BCBSM board of directors and submitted to the Office of Financial and Insurance Services.

Petitioner Michigan Chiropractic Society did not file a reply to Respondent's motion.

The Commissioner finds Respondent's request reasonable. Respondent shall have an additional 90 days (until November 5, 2007) to complete, approve, and refile the required changes to its Healthy Blue certificates of coverage. Respondent's existing Health Blue certificates of coverage are disapproved effective November 20, 2007.
